Named and Public lectures

The University of Melbourne - Department of Physiotherapy - Lecture

1. Organic causes of incontinence in children; urinary tract infection in children.

Australian Medical Association - Kathleen Cunningham Memorial Lecture, May 2000

2. Developing Countries - Developing Australia.

Senate investigation into the Law governing the National regulator - 2017

3. Bullying and mobbing.

Beechworth Arts and Science Society - March 2021

4. Surgery: the artful application of science and the scientific application of art.

Conference Paper Presentations

USANZ 76th ASM, Adelaide, February 2024

1. A survey of manual detorsion of the testicle.
2. VUR a survey of profile of practice.
3. Endoscopic video recording – an argument for routine application.

51st Jordan Society of Surgeons, Amman, Jordan, October 2023 – Invited.

4. Anorectal anomalies, the importance of the megarectum.
5. Urethral obstruction: good management includes definition of anatomy.
6. Vesicoureteric reflux: our expanding ignorance.
7. Complex hypospadias made easy.
8. Bladder augmentation – don't waste spare parts.
9. Diagnosis and management of renal duplications.

Gold Coast Medical Association and OUM meeting, Apia, Samoa, Sept 2023 – Invited.

10. Lesson Learnt by teaching in Developing Countries.

South African Urological Association biannual conference, Bloemfontein, Sept 2022 – Invited.

11. Aphallia.
12. Buried Penis.
13. Deflux injection histology.
14. Lower pole PUJ obstruction.
15. Genitoplasty in XO patient.
16. VUR – expanding ignorance.

Kosovo College of Surgeons 2nd Annual Scientific Conference, Sept 2022 - Invited.

17. Anorectal anomalies and Hirschsprung disease rescue surgery.
18. Complex Paediatric Urology.

South African Urology Society, 2021.

19. Vesicoureteric reflux – seeking to understand.

Australian Medical Association National Conference, July 2021.

- 20. Recording in Endoscopy.
- 21. AHPRA – soap box presentation.

Ghana Urological Association Annual Scientific meeting, July 2021 - Invited.

- 22. Bladder exstrophy.
- 23. Posterior urethral obstruction.

Hypospadias International Society (Invited), November 2019 – Session Chair.

- 24. Paediatric Surgery outreach and hypospadias.
- 25. The Ulaanbaator procedure for hypospadias – the development of the concept.

ASUM Melbourne conference (Invited), September 2019 - Session Chair.

- 26. Lumps and bumps ultrasound usefulness.
- 27. Fetal hydronephrosis and beyond.

Responsible Patient Billing Symposium, Melbourne, September 2019.

- 28. Codes of conduct and medical governance.

Responsible Patient Billing Symposium, July 2019.

- 29. Codes of conduct and medical governance.

Healthcare Excellence Institute Australia, April 2019.

- 30. Mobbing and bullying.
- 31. Healthcare governance.

Jordanian Royal Society of Medicine, 9th International Congress, Dead Sea, Jordan, October 2018.

- 32. Jigsaw Puzzle approach to urinary obstruction (Invited).
- 33. Posterior urethral valves – a misnomer (Invited).
- 34. Duplex urinary tract anomalies (Invited).

European Paediatric Radiology 54th Annual meeting, June 2018.

- 35. Sharing the caring: Collaboration with Paediatric Surgery outreach (Invited).
- 36. COPUM – terminology that matches the obstructive lesions in the posterior urethra of boys.

No More Harm National Conference, April 2018 (Invited).

- 37. Senate investigation into bullying in Healthcare.

Australian Society for Ultrasound in Medicine, Melbourne, October 2017 (Invited).

- 38. The ethics of prenatal intervention.

XIV International Symposium of Pediatric and Urology Surgery, Mostar, June 2017 (Invited).

- 39. Hugh Hampton Young and COPUM.

2nd Annual Conference, Health Professionals Australia Reform Association, Melbourne, April 2017.

- 40. Attribution Error.
- 41. Freedom of information – a misnomer.

Webinar, University of Cape Town, Department of surgery, South Africa, August 2016.

42. Surgery without investigation, and surgery after over investigation: the ethical dilemma.

2nd Bloemfontein Paediatric Urology Conference, Bloemfontein, South Africa, August 2016 (Invited Faculty).

- 43. The ethics of over investigating prior to surgery.
- 44. Prenatal hydronephrosis.

Paediatric Surgical Society meeting, Arman, Jordan March 2016 (Invited).

- 45. Urine infections and surgical management of vesicoureteric reflux.

XII Annual Conference, Indian Paediatric Radiology Society, Vellore, India, September 2014 (Invited Faculty).

- 46. Posterior Urethral Obstruction – Now known as COPUM.

RACS State Board Scientific Meeting, Ballarat, October 2013.

- 47. Management of Megarectum – surgical options and considerations.

Klinicki Centar Univerziteta, Sarajevo, Bosnia, International Symposium, September 2013 (Visiting Professor).

- 48. Tricks of the trade.
- 49. Paediatric Urological rarities.
- 50. Hypospadias – major and minor.

Deakin Surgical Interest Group – Beyond Our Shores symposium, Barwon Health, Geelong, 25th July 2013 (Invited speaker).

- 51. Teaching Paediatric Surgery in developing countries.

Paediatric Colorectal Workshop, Red Cross Children's Hospital, Cape Town, South Africa, 21st – 28th April 2013 (Visiting Professor).

- 52. Teaching in developing countries.
- 53. The role of megarectum resection in the management of anorectal anomalies.

Paediatric Urology Symposium, Chris Hani Baragwanath Hospital, Johannesburg, 17th – 20th April 2013.

- 54. Duplex systems + ureteroceles.
- 55. Hypospadias surgery - distal and cripple.
- 56. Sting procedure.
- 57. Ureterocystoplasty.
- 58. UTI's and VUR + Catheterless reimplantation.
- 59. Antenatal hydro - PUJ obstruction.
- 60. COPUM.
- 61. PUJ obstruction.

Paediatric Urology Workshop, Corowa Hospital General Practice, Victoria, 17th May 2013.

- 62. Paediatric Urology in common practice.

Paediatric Urology Workshop, Bright General Practice, Victoria, 17th May 2013

- 63. Paediatric Urology in common practice.

3rd Annual Paediatric Surgery Workshop, Pristine, Kosova, February 2013.

- 64. Complex urological cases.

29th Biennial Congress of South African Urological Association, Sun City, South Africa, November 2012 (Invited Faculty).

- 65. Ureterocystoplasty.
- 66. Medical Ethics and the law: toward a new paradigm.

Paediatric Urology Workshop, Tygerberg Children's Hospital, Stellenbosch, South Africa, 12-13 November 2012 (Visiting Professor).

- 67. Duplications of the urinary tract.

Paediatric Urology Workshop, Gippsland Base Hospital, Sale, Victoria, 7th November 2012.

- 68. Paediatric Urology in common practice.

Paediatric Urology Workshop, Bright General Practice, Victoria, 22nd October 2012.

- 69. Paediatric Urology in common practice.

Klinicki Centar Univerziteta, Sarajevo, Bosnia, International Symposium, June 2012 (Visiting Professor).

- 70. Duplex systems and Ureteroceles.
- 71. Neuropathic bladder and augmentation.
- 72. Anorectal anomaly; redo surgery.
- 73. Prenatal hydronephrosis – timing of investigation and management.
- 74. COPUM – getting the name right.
- 75. Vesicoureteric reflux – things going backward.
- 76. Paediatric Surgery development in Mauritius.

University of Mauritius Guest Lecture, Mauritius, Jan 2012 (Visiting Professor)

- 77. Paediatric Surgery development in Mauritius.

Victorian RACS State Committee, ASM, October 2011.

- 78. Congenital megarectum – *withdrawn by RACS*.
- 79. Sustainable developing country assistance (*invited*) – *withdrawn by RACS*.

Paediatric Radiology Workshop, Free State University, Bloemfontein, South Africa, August 2011 (Visiting Professor)

- 80. Prenatal hydronephrosis – timing of investigation and management.
- 81. COPUM – getting the name right.
- 82. Vesicoureteric reflux – things going backward.

Paediatric Urology and Surgery Symposium, Tirane University, Albania, April 2011 (Visiting Professor)

- 83. Urine infections and vesicoureteric reflux
- 84. Duplex systems and COPUM.
- 85. Neuropathic bladder and augmentation.
- 86. Anorectal anomaly redo surgery.

Paediatric Urology and Surgery Symposium, Pristine University, Kosova, April 2011 (Visiting Professor)

- 87. Urine infections and vesicoureteric reflux
- 88. Duplex systems and COPUM.
- 89. Neuropathic bladder and augmentation.
- 90. Anorectal anomaly redo surgery.

Nurse Education workshop, Ringwood Private Hospital, March 2011.

- 91. Urinary tract infections- diagnosis and management, Day and Night wetting.
- 92. Foreskin care and genital anomalies and inguinoscrotal pathology.

General Practice Update Education Workshop, Ringwood Private Hospital, November 2010.

- 93. Urinary tract infections- diagnosis and management, Day and Night wetting.
- 94. Foreskin care and genital anomalies and inguinoscrotal pathology.

28th Biennial Congress of South African Urological Association, Durban, South Africa, November 2010 (Invited Faculty).

- 95. VUR – going backward.
- 96. Kings, Queens, Hugh Hampton Young and South Africa.
- 97. Intersex – indication for intervention.
- 98. Every Sign in Paediatric Urology.
- 99. Prenatal to Postnatal hydronephrosis.

Making Imaging Safer: The Australasian Conference on Error in Medical Imaging, Sydney, November 2010.

- 100. Challenges in Paediatric Urology.
- 101. Troubles with Radiology!

Paediatric Urology Bladder Exstrophy Symposium. BSMM University, Dhaka, July 2010.

- 102. Continence in bladder exstrophy.

Australian Sonographers Association Branch meeting, April 2010.

- 103. Hands and Heads, Knife and fork – teaching in developing countries.

Paediatric Urology Conference, Barranguilla, Colombia, December 2009.

- 104. Vesicoureteric reflux; surgical management
- 105. Urinary incontinence

XII Congreso Centroamericano y de Caribe de Urologia: XIX Congreso Cubano de Urologia - Paediatric Urology Conference, Havana, Cuba, 8-11th Dec 2009 (Faculty).

- 106. Ureterocalycostomy
- 107. Vesicoureteric reflux; surgical management
- 108. Duplex systems with ureteroceles
- 109. Bladder exstrophy – management of Cuban cases
- 110. Bladder exstrophy – posterior osteotomies
- 111. COPUM – changing terminology

National Whistleblower Association Annual congress, Adelaide, 5th December 2009.

- 112. Sham review – both ways.

Bladder exstrophy workshop, BSMM University, Dhaka, Bangladesh, August 2009

- 113. Lessons learnt from bladder exstrophy

Radiology CME meeting, Vic. Branch, Royal Melbourne Hospital, 20th August 2009

- 114. Congenital posterior urethral obstruction.

Course in Operative Paediatric Urology, University of Cape Town, Red Cross Hospital, Cape Town, South Africa, May 2009 (Faculty).

- 115. Pyeloplasty.
- 116. Bladder exstrophy.
- 117. Catheterless ureteric reimplantation
- 118. COPUM

ABC Paediatric Laparoscopic Workshop Cape Town, South Africa, May 2009 (*Faculty*).

- 119. Tips and tricks of ablation of COPUM.

Paediatric Urology Cub, Newcastle, November 2008.

- 120. The Jigsaw puzzle – beyond protocols.
- 121. Bladder exstrophy in developing countries.

27th Biennial Congress of South African Urological Association, Drakensberg, South Africa, July 2008 (*Invited Faculty*).

- 122. The Jigsaw puzzle approach to PUJ Obstruction.
- 123. Posterior Urethral Obstruction in the computer age.

Paediatric Urology Symposium, Black Lion Hospital, Addis Ababa, Ethiopia, January 2008.

- 124. Paediatric Urology through Patch Adams fingers – beyond protocols
- 125. COPUM – a new concept of posterior urethral obstruction
- 126. Bladder exstrophy and augmentation.

General Practice Association of Geelong, Annual mother and baby update, October 2007.

- 127. Paediatric Urology through Patch Adams fingers.

Victorian RACS State Committee, ASM, October 2007.

- 128. Paediatric urology teaching in Bangladesh (poster): 1993-2007.
- 129. Learning from History: COPUM.

Paediatric Urology Club, Canberra, October 2007.

- 130. Paediatric urology teaching in Cuba: bladder exstrophy– 2003-2007.
- 131. Anorectal anomalies and urethral strictures – 1993-2007.
- 132. Caudal duplication with penile duplication.
- 133. Bilateral complicated duplex pathology.

Cuban Pediatric Urology Inaugural Conference, Havana, Cuba, September 2007 (*Faculty*).

- 134. Ureterocystoplasty – Does it last?
- 135. Chordee – current concepts.
- 136. Anorectal anomalies and urethral stricture
- 137. Ureteroceles and their treatment.

WOFAPS, Buenos Aires, September, 2007 (*Invited*).

- 138. Ureterocystoplasty – benefits and limitations.
- 139. Chordee – current concepts.
- 140. Intersex in developing countries.
- 141. Ureterocele.

3rd Annual Special Interest Group Seminar, Australian Sonographers' Association, Melbourne, August 2007 (*Invited*).
